Wednesday Night Tastings

BILLECART-SALMON

CHAMPAGNE

Lugano – September 13, 2017

Independently run since 1818, thanks to the union of Nicolas François Billecart and Elisabeth Salmon, the **Billecart-Salmon** Champagne House is one of the few in the region that has remained family-owned since the beginning. The maison sits in the heart of Champagne in the Premier Cru della Vallée de la Marne zone, tucked away in a small village called Mareuil-sur-Aÿ.

Today, the Billecart family's founding objective, to create wines with finesse, balance and elegance has continued with François and Antoine Roland-Billecart, representing the sixth generation. François Domi, the head oenologist, works alongside the brothers to follow the traditional Methode Champenoise that has been used for over two centuries.

For this special evening, we would like to invite you into the world of refined Champagnes. The tasting will start with the House's Brut Réserve, followed by the spectacular Extra Brut Vintage 2007, to finish off the night, we will serve Billecart-Salmon's most celebrated wine, the Brut Rosé, which exposes pleasant notes of strawberry and raspberry.
