## 2009 VINTAGE: DOM PÉRIGNON VS. CRISTAL

*Lugano – Wednesday, 22 November 2017*

A brilliant, sparkling evening is coming to our Luxury Wine Shop - ARVINO - featuring two of the most prestigious brands in the Champagne world: Dom Pérignon & Louis Roederer.

During this event we will present a comparison the 2009 vintage, looking at the differences and similarities between Dom Pérignon & Cristal. Known as a solar vintage for the region, 2009's harvest was full of rich, ripe fruit that has led to these vibrant, yet silky wines. These flavorful Champagnes, reveal mineral notes that are complemented by a sparkling evanescence that remains on the palate for a long finish.

You will be amazed by the fresh and balanced acidity found in each glass of the 2009 vintage. The great ageability of these Champagnes allow the wines to open up ever so gracefully year after year.
