Wednesday Night Tastings

IL DIVINO FORMAGGIO

Lugano – Wednesday 15 November 2017

If your love of wine is as strong as your love of cheese, then this is the perfect tasting for you!

A journey through taste, perfume and tradition, our selection of artisan cheeses from the **Guffanti-Fiori** historical cheese refiners, along with our collection of top wines will surely wow your palate. Since **1876**, the family business has aged their cheeses in **Arona**, found in the province of **Novara** and has passed down this tradition over five generations. What else is there to add? A tasting of flavorful cheeses paired with a perfect collection of wines.

These wines were hand selected by our **Head Sommelier and Brand Ambassador, Davide Vaccarini**, from our cellar of over one million bottles.
