ROBERT PARKER'S FAVORITE: CHÂTEAUNEUF-DU-PAPE

Lugano – Wednesday, 20 December 2017

The world's most influential wine critic, Robert Parker, has never had any doubts about his love for the **Châteauneuf-du-Pape** region. Often times, calling it the most important and renowned appellation in the southern part of the Rhône Valley.

Following in this thought, Davide Vaccarini, our Brand Ambassador & Head Sommelier will recount his most recent journey through the famed Rhône region. During his trip, he tasted wines coming from the area's greatest producers. After carefully selecting only the best of the best for you, we are more than excited to guide you through a tasting of these wonderful offerings.

These red wines will win you over with their intense garnet color and their full-bodied, well-balanced characteristics. Each of these wines display an admirable bouquet of ripe fruits, including blackcurrant, as well as notes of toasty spices.
