

CHÂTEAU LA VIOLETTE

A once in a lifetime Wine & Dine event with the owner Henri Parent

Zürich - Wednesday, 23 May 2018

ARVI is delighted to present a wine pairing dinner featuring one of the rarest wines on the market - Château La Violette. With the presence of owner, Henri Parent, the event will be held on Wednesday, 23 May 2018 at the renowned Rico's restaurant in Küsnacht.

The Château itself lies in the petit Bordeaux appellation of Pomerol and is home to only 1.68 hectares of vineyards. Planted exclusively to Merlot, La Violette produces a mere 3,000 bottles on average per year.

Compared to its neighbors, like Château Le Pin which produces around 6,000 bottles per year and Pétrus which on average 30,000 bottles per year, the wines at La Violette are extremely limited. Acquired in 2006, the Château has quickly risen in the ranks and after just four years, La Violette received a perfect 100-point score from Robert Parker for their acclaimed 2010 vintage. Even before, in 2009 Parker wrote, "I thought it was exceptional, but this wine is one of the superstars of the vintage." Henri Parent carefully selected a unique vertical tasting for the evening, chosen from the greatest vintages, this is a once in a lifetime opportunity to taste the ultra-rare creations of La Violette. With their entire limited production sold En Primeur, La Violette remains one of the hardest bottles to find on the market today. Robert Parker comments "there is so little of it available and it is virtually impossible to find". Don't miss out on the chance to dine with owner Henri Parent and his exquisite limited collection.
