

THE 1998 VINTAGE

1^{er} Crus 20 years later

ARVINO Zürich - Wednesday, September 12, 2018

Without a doubt, the 1998 vintage remains one of the stand-out vintages in the wine world. That being said, ARVI is pleased to present a celebratory Masterclass led by our Brand Ambassador, Davide Vaccarini on Wednesday, September 12, 2018 at our Luxury Wine Shop – ARVINO - Zürich.

During the tasting you will have the opportunity to taste several different styles of this vintage. In fact, many of the wines included in the tasting are 1^{er} Grands Crus Classés of Bordeaux, our specialty. But our incredible stock of wines allows us to present other quality wines from the world's top wine-making regions as well, such as the great Masseto and Pingus wines.

The 1998 vintage also received extraordinary scores from the world's most famous wine critics. For example, both Haut-Brion and Masseto were rated with an almost perfect scores of 99 points from Robert Parker and James Suckling, alike.

According to Robert Parker, the 1998 Haut-Brion is still showing incredibly young, it offers an uninterrupted freshness and an epic long finish, this is a wine that can be enjoyed up until 2045 and beyond. Masseto, on the other hand, according to James Suckling, is even better than the historic 1997 vintage – it's clear that 1998 is a legendary vintage for the Bolgheri region.

Come and celebrate the 20th anniversary of this extraordinary vintage. The 1998 wines are classically styled, characterized by their elegance, opulence and fruit concentration. Discover their potential with us!
