

## Château d'Yquem

*Wine & Dine with the most sought-after sweet wine in the world!*

*Geneva – Thursday, 29 November 2018*

With the exclusive presence of Cellar Master, Sandrine Garbay, ARVI is pleased to host a unique wine pairing dinner featuring the world's most sought-after sweet wine - Château d'Yquem. The tasting dinner will be held on Thursday, 29 November 2018 at the Le Chat Botté restaurant in Geneva.

This famed estate is recognized around the world as one of the greatest producers of sweet wine in France. In 1999, the Lur Saluces family sold the property to the LVMH group after over two-centuries of ownership. Bottled without filtration, these wines are then aged for three years in new oak barrels. As former director of the famous Château Cheval Blanc estate, Pierre Lurton has taken on the role as winemaker at d'Yquem since 2004. Unrivaled for their combination of grace, power and feminine flair, d'Yquem's wines easily defend their status as Premier Cru Supérieur year after year.

The event will start off with a taste of the estate's excellent dry white wine - "Y" d'Yquem - which will be followed by 10 of the best vintages ever produced by d'Yquem. Our perfect scorers will also be included - vintages 2015, 2009, 2007, 2005 and 1997!

Discover the amazing taste of the world's best Premier Cru Supérieur together with Sandrine Garbay!
